

West Michigan Mustang Club

Since 1981, the purpose of our club is to preserve, restore, and enjoy the 1964 1/2 to the present Ford Mustang. Currently there are over 260 members enrolled in our club. We are a regional affiliate of the Mustang Club of America and the Shelby American Automobile Club. Our Annual Dues is \$20 per year per family living in the same household.

We hold at least one club meeting or event each month. Meetings are usually held in the evening on the 2nd Monday of the month, at a location designated in the monthly newsletter or postcard. Events, which can be scheduled at any time, include activities such as picnics, cruises, color-tours, caravans to car shows, etc. Club meetings and activities are meant to be family oriented and all ages are encouraged to participate. Club members also receive a discount on parts at several area Ford dealers.

The "HOOFBEAT" Newsletter is published February & July, which keeps members informed of our club and other area events, gives restoration and maintenance tips, and has articles of other items of interest. The other 10 months of the year, we send out a postcard listing the monthly Club Sponsored Events.

Knowledgeable members are available for technical advice. We have a library of helpful and interesting books and videos available to members. A club scrapbook is maintained with pictures and articles about past club events and activities. The club also maintains a web site with lots of useful information and links to other Mustang & Ford related web sites. The web site address is westmichiganmustangclub.com.

Each year in mid-June, we sponsor our Annual Mustang & All Ford Car Show and Swap Meet. All members are encouraged to attend and help. A portion of show proceeds are donated to local charities. We are a non-profit organization.
