

WMMC 40 Year Anniversary

40th Annual Mustang & All Ford Show & Shine

Saturday June 12th, 2021

Held at Frontline Community Church

4411 Plainfield Ave NE Grand Rapids, MI 49525

We have chosen this year to hold our annual show as a big showcase of the beauty that is found in every Mustang that has passed down the Ford assembly line. The Mustang - the only muscle car that has been produced every year since its inception in 1964. With COVID we still wanted to hold a show in some form that would allow us to be safe and also have some fun. We will not be holding our typical judging and trophy handout. We will also not be organizing cars in the show field by year. We will arrange cars spaced neatly in the show field based on their arrival. We will keep all activities outside for everyone's safety.
