

Since 1981, the purpose of our club is to preserve, restore, and enjoy the 1964 1/2 to the present Ford Mustang. Our members own a wide variety of Mustangs of all years from show cars to daily drivers. We are a regional affiliate of the Mustang Club of America and the Shelby American Automobile Club. Currently we have over 250 member families. Membership is per year, per family living in the same household.

We hold at least one club meeting or event each month. Meetings are usually held in the evening on the 2nd Monday of the month, at a location designated in the monthly email. Events, which can be scheduled at any time, include activities such as picnics, cruises, color-tours, car shows, Show 'n Shines, Christmas party, pizza night, etc. Club meetings & activities are meant to be family oriented and all ages are encouraged to participate.

Each year in mid-June, we sponsor our Annual Mustang & All Ford Car Show and Swap Meet. All members are encouraged to attend and help. A portion of show proceeds are donated to local charities. We are a non-profit organization.

Membership & Dues

Membership is from January to December. Annual Membership Dues are \$20 and are due between January 1st through February 15th each year. Some events /activities require an additional charge.
